

The future is collective

Open Collective is a **legal and financial** toolbox for grassroots groups. It's a **fundraising + legal status + money** management platform for your community. What do you want to do?

- Financial contribution**: + \$2,682.72 USD.
- \$ TODAY'S BALANCE**: \$54,830.00 USD.
- ~ TOTAL RAISED**: \$183,628.86 USD.
- ~ TOTAL DISBURSED**: \$128,798.86 USD.
- ESTIMATED ANNUAL BUDGET**: ~ \$92,304.62 USD.

Raise money with full transparency

We do the paperwork so you can focus on your mission.

Whether you're a mutual aid group, a community initiative, an open-source software project, or a climate change activist, Open Collective helps groups unlock access to money.

Over 15,000 groups around the world raised and managed USD \$35M last year

Check out these amazing Collectives and connect with them. →

Fiscal hosting

Operate under the umbrella of an established legal entity, so you don't have to incorporate your own. A Host can take care of accounting, taxes, banking, and non-profit status.

[Learn more about fiscal hosting](#)

Shared account

Manage your budget together. Transparency builds trust and accountability, and no individual has to take on all the responsibility.

[Learn more about creating a Collective](#)

Powerful money tools

Pay expenses, receive donations, manage grants, sell event tickets, get a virtual card linked to your balance, and more!

Collaborate with **money**

A shared account to fundraise and manage money, connect with your people, and more.

Payment

Accept funds, transfer money, pay people and create invoices.

Fundraising

Publicly display your budget and transactions to build trust from contributors and donors.

Community engagement

Post updates, create events, connect your website, or use your Open Collective page with your custom url.

Reporting

No more messy spreadsheets. Open Collective updates live to make reporting easy. Auditors and grantmakers love us!

Accounting

No need to balance your checkbook. It's all accessible here on the platform.

We are a dedicated team of people working to spread power and wealth

Open Collective is made possible
by an international team of people
who are committed to community-
control of technology. Connect
